A photograph showing a group of people. In the foreground, a man with glasses and a white shirt is looking towards the right. Next to him, a man in an orange shirt is heavily adorned with a large, colorful floral garland (mala) and is smiling. To the left, a woman with glasses is also smiling. The background shows a blue metal structure, possibly a gate or part of a building.

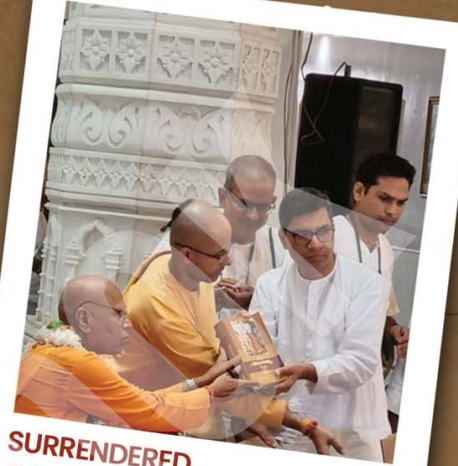

A decorative border at the bottom of the page featuring a repeating pattern of circular motifs with intricate designs, set against a light background. A solid white rectangular area is positioned in the center of the border.
